

WARNINGS

- Keep out of reach of children, uninformed persons and animals.
- Do not treat puppies younger than 8 weeks of age.
- Although this remedy has been extensively tested under a large variety of conditions, failure thereof may ensue as a result of a wide range of reasons. If this is suspected, seek veterinary advice and notify the registration holder.

PRECAUTIONS

- Avoid contact with hands or any other part of the body.
- Wash hands with soap and water after use.
- Do not drink, eat or smoke while handling the product.
- Dispose of empty pipette with domestic refuse.
