

WARNINGS

- Keep out of reach of children, uninformed persons and animals.
- Toxic to bees and fish.
- Although this remedy has been extensively tested under a large variety of conditions, failure thereof may ensue as a result of a wide range of reasons. If this is suspected, seek veterinary advice and notify the registration holder.

PRECAUTIONS

- Avoid spraying in eyes.
- As with all insecticides and acaricides, the following is recommended: - Wear gloves, especially during treatment of groups of animals.
 - Spray the animals in a well ventilated room.
 - Wash the hands after use.
 - Do not drink, eat or smoke while handling the product.
